

# The Legacy Ambassador

## ENTRY REQUIREMENTS

- Must be a student in the state of SC
- Ages 10-24
- Must maintain a minimum gpa of 2.0
- Must sign a waiver and release
- Must complete registration (application, waiver and release, code of conduct)
- Must have a passion for leadership, ambition to achieve, willingness to serve
- Must complete the minimum required volunteer hours each month

## THE PROGRAM.

The Legacy Ambassador program gives youth and young adults the experience of being an active representative of the Tywanza Sanders® Legacy Foundation while earning community service hours. Ambassadors will participate in a variety of activities including events, programs, and tasks directly impacting the goals of the organization. Each ambassador must be ambitious, take initiative, and be willing to lead and learn, teach and follow. Ambassadors can earn the coveted TSLF blazer and apply for exclusive scholarships. If you are interested in participating in the program, complete and submit the online application and waiver.

**Ambassadors will gain** valuable experience through learning opportunities, hands-on experience, leadership development, coaching and mentoring, and training in 21st century workforce skills. Students will complete the program with real experience that can be carried into the workforce. The overall goal of the program is to help our ambassadors gain experience for jobs or other volunteer opportunities, forge relationships with peers and mentors, and is a way to accrue volunteer service hours that can be used for job requirements, scholarship requirements, social organization requirements, etc.

**The Commitment** Legacy Ambassadors make a commitment to volunteer a minimum number of hours each month through activities chosen by the volunteer or assigned to the volunteer. A list of activities is provided for reference.

Once an ambassador has worked through at least 100 logged hours, they will be rewarded with a signature Tywanza Sanders® Legacy Foundation Blazer Ceremony and move up to the next level in the ambassador program. Each level requires a minimum commitment to move the next level and is outlined in the chart below. When the Ambassador reaches LEVEL 3, they are allowed to apply for our exclusive Legacy Ambassador Scholarships. These scholarships are only available to ambassadors active in our program. If an ambassador fails to complete the minimum amount of required hours 2 months in a row, without prior written approval from a Foundation Leader, they will be removed from the program. Hours for each month must be submitted by the 5<sup>th</sup> of the next month through the designated system. Requirements: Email address, access to the internet. For certain activities, social media access may be needed. Please note that social media is not a requirement to be an ambassador.
